Plaintiff: **Peter Markan**
AND
Defendant: **Bar Association of Queensland**

NOTICE OF APPEAL

To the respondent
And to the Registrar of Supreme Court of Queensland,

TAKE NOTICE that the appellant appeals to the Court of Appeal against the whole orders by judge H George Fryberg of Supreme Court of Queensland.
- the decision not to recuse himself from the hearing of the case against Bar Association of Queensland and
- the decision rejecting my Application to Strike out the Defendant application to strike out my Claim and Statement of Claim.

1. Date of Judgment: 26.07.2013

Description of Proceedings: Supreme Court NUMBER : 6041/13

Description of parties involved in the proceedings :

Plaintiff : Peter Markan

AND

Defendant: Bar Association of Queensland

Name of Primary Court Judge: H George Fryberg

Location of Primary Court: SUPREME COURT OF QUEENSLAND

2. GROUNDS –

- a. The subject of my application to this Court relates to the issues of:
- the lack of respect for the human rights in Queensland;
 - racist attitude, discrimination and vilification of people who are not lawyers and not of anglo origin and who represent themselves in courts;
 - denial of the protection by law to those people;
 - treatment of those people by ‘public institutions’ and courts as **SECOND CLASS CITIZENS**.
- b. I am **demanding** that my human rights are acknowledged and respected. Particularly, the provisions of **Article 14 of The International Covenant on Civil and Political Rights** – ‘All persons shall be equal before the courts and tribunals. In the determination of any criminal charge against him, or of his rights and obligations in a suit at law, **everyone shall be entitled to a fair and public hearing by a competent, independent and impartial tribunal established by law.**’

- c. I am rejecting the ‘orders’ made by H George Fryberg during the hearing on 26.07.2013 as unlawful and illegal – as being blatant abuse of the International and Australian laws.
- d. H George Fryberg conduct highlights serious problems with administration of justice in Queensland:
 - Judges are given so called ‘immunity’ permitting them to say any rubbish they choose without having legal responsibility for what they say
 - There is no effective community supervision of judicial conduct and decisions
 - The feudal concepts of ‘masters’ and ‘slaves’ are maintained under pretext of ‘respect for tradition’
- e. H George Fryberg failed to comply with the provisions of law and is involved in the **abuse of internationally recognized legal standards, The International Covenant on Civil and Political Rights and Australian Human Rights Commission Act 1986**. He did not express any feeling of guilt or remorse.
- f. H George Fryberg is involved in improper exercise of power, in the abuse of judicial discretion which has been exercised arbitrarily and capriciously and in bad faith. The abuse resulted in a manifest injustice.
- g. H George Fryberg conducted the court hearing without my consent.
- h. H George Fryberg authoritarian conduct brings the administration of justice in Queensland into disrepute and has impact on the issue of integrity and respect for the law affecting Queensland legal system as the whole.

3. ORDERS SOUGHT –

- The Applicant requests the Supreme Court to pronounce the ‘orders’ by H George Fryberg from 26.07.2013 in this matter (6041/13) as null and void – not having any legal consequences, the verdict set aside and order the new hearing.
- The Applicant requests the Supreme Court to select truly **neutral, independent and impartial arbiter**, conforming to internationally recognized standards, to preside over the court hearing against 'Bar Association of Queensland'.

4. RECORD PREPARATION

I undertake to cause a record to be prepared and lodged, and to include all material required to be included in the record under the rules and practice directions and any order or direction in the proceedings.
