

SUPREME COURT OF QUEENSLAND

REGISTRY : Brisbane
NUMBER : 6041/13

Plaintiff: **Peter Markan**
AND
Defendant: **Bar Association of Queensland**

APPLICATION

**TAKE NOTICE that the Plaintiff is applying to the Court for the following order:
Granting the LEGAL IMMUNITY for anything done or said in Court by the Plaintiff.**

1. Having regard to the concept of 'equality before the law' being one of the main cornerstones of this legal system and taking into consideration the fact that in Court proceedings the presiding judge and the barrister representing the BAQ have 'immunities - I am demanding to be guaranteed and legally provided the immunity for anything said or done in the Court.

2. **Legal Reference** - Australian Human Rights Commission Act 1986 - Schedule 2— International Covenant on Civil and Political Rights - Article 14 - '**All persons shall be equal before the courts and tribunals.** In the determination of any criminal charge against him, or of his rights and obligations in a suit at law, everyone shall be entitled to a fair and public hearing by a competent, independent and impartial tribunal established by law.'

3. The fact that the other party before this Court has the 'immunity', giving them clear and distinctive advantage, puts them in privileged position and that is the abuse of the fair and just trial concept.

4. Discriminating against me by not providing me with the same privileges and rights as the other party in Court is also the abuse of the **Anti-Discrimination Act 1991** sections 7,8,9,10,11.

5. From the legal perspective the privilege of 'immunity' was debated (among others) and affirmed by High Court in D'Orta-Ekenaike v Victoria Legal Aid [2005] HCA 12. '*Whether advocate's immunity necessary to ensure finality of judicial process*'.

6. Since by representing myself in Court and being anti-mafia campaigner I am, in the legal sense, the 'advocate'- (Self-Advocacy is not excluded or prohibited by law) I demand granting me the immunity.
