AND  
Respondent: **Bar Association of Queensland**

**NOTICE OF APPEAL**

To the respondent,  
And to the Registrar of Supreme Court of Queensland.

TAKE NOTICE that the appellant appeals to the Court of Appeal against the ‘orders’ by Alan Wilson of the Supreme Court of Queensland

**1. Date of Judgment: 15.09.2014**

Description of Proceedings: Supreme Court

NUMBER : 2980/2014

Description of parties involved in the proceedings

Plaintiff : Peter Markan

AND

Defendant: Bar Association of Queensland

Name of Primary Court Judge: Alan Wilson

Location of Primary Court: SUPREME COURT OF QUEENSLAND

**2. GROUNDS –**

- a. The subject of my application to this Court relates to the issues of:
- the lack of respect for human rights in Queensland;
  - racist attitude, discrimination and vilification of people who are not lawyers and not of anglo origin and who represent themselves in courts;
  - denial of the protection by law to such people;
  - treatment of such people by ‘public institutions’ and courts as SECOND CLASS CITIZENS;
  - creating of TOTALITARIAN REGIME consisting of lawyers who, through stooges infected various democratic institutions and courts, are controlling Australian society as a self-professed ‘master breed’;
  - enacting of concealed dictatorship when an opinion of an unelected individual is claimed to be binding to 22 million free people in Australia (those so called ‘authorities’ in legal proceedings),
- b. Alan Wilson, as the ‘judge’ employed by Supreme Court of Queensland, failed to recognize and acknowledge that the Australian Constitution is the primary law,
- c. Alan Wilson, as the ‘judge’ employed by Supreme Court of Queensland, failed to provide me the protection as guaranteed to me by articles 109 and 117 of the Australian Constitution,

- d. Alan Wilson, as the ‘judge’ employed by Supreme Court of Queensland, failed to recognize and acknowledge valid laws as per ‘Imperial Acts Application Act 1984’
- e. Alan Wilson, as the ‘judge’ employed by Supreme Court of Queensland, failed to recognize and acknowledge the fact that Queensland and Australia are not on the moon but are a part of the International Community, therefore subjected to laws governing that community,
- f. Alan Wilson, as the ‘judge’ employed by Supreme Court of Queensland, failed to recognize and acknowledge the fact that Australia (in geographical sense) has been populated by Aboriginal communities and has been subjected to their laws, **before** it was ‘acknowledged’ by HC decision in 1992, and those laws have NEVER been repealed,
- g. Alan Wilson, as the ‘judge’ employed by Supreme Court of Queensland, displayed lack of knowledge of basic legal principles existing in the system in which he professes to have the role of supreme guru,
  - Eg.he accepted BAQ lawyers making application **without them first** obtaining the leave of court to make such application (amended application, 22 July 2014, point 2A)
  - Eg.he provided BAQ lawyers preferential treatment by allowing them not to comply with the provisions of rules 444 and 447 of UCPR1999 which was unfair and prejudicial to me,
- h. Alan Wilson`s conduct highlights serious problems with the administration of justice in Queensland:
  - Judiciary is the hub of racism - maintaining ‘colonial mentality’ through subtly disguised arrangements, reflected in attitudes and conduct, and resulting in the abuse and discrimination of people from non anglo background,
  - Judiciary is the primary tool of hegemony of one ethnic group of people (‘anglos’) over other subjugated citizens of the State of non anglo background,
  - Judges are given so called ‘immunity’ permitting them to say any rubbish they choose without having legal responsibility for what they say,
  - Due to ‘immunity’ judges openly and blatantly abuse human rights without fear of punishment,
  - There is no effective community supervision of selection of judges, judicial conduct and their decisions,
  - The feudal concepts of ‘masters’ and ‘slaves’ are maintained to enable protection of depravity within legal industry,
- i. Alan Wilson failed to comply with the provisions of the law and he is involved in the abuse of the Australian Constitution, Queensland laws, The International Covenant on Civil and Political Rights and other internationally recognized legal standards.  
**He did not express any feeling of guilt or remorse.**
