

SUPREME COURT OF QUEENSLAND

REGISTRY : Brisbane

NUMBER : 4516/13

Plaintiff: **Peter Markan**

AND

Defendant: **Crime and Misconduct Commission**

CLAIM

The plaintiff claims:

1. The Plaintiff demands that the Defendant makes the public apology for the harm and the distress caused utilizing all major public media available in a clear and highly visible manner.
2. The Plaintiff seeks monetary compensation of A\$ 10 000 000.13 (ten million Australian dollars and thirteen cents) which he demands to be paid by the Defendant as damages for the losses suffered by the Plaintiff.
3. The Plaintiff reserves the right to add to this claim the legal costs and others suffered in the course of pursuing this claim and the interest calculated at the commercial rate.
4. Due to the established case of the defendant organisation being knowingly involved in the protection and encouragement of criminal conduct the Plaintiff request the Court to issue the order declaring the Crime and Misconduct Commission as criminal organisation and to order its dissolution.
5. Due to the fact that personnel of Crime and Misconduct Commission, shareholders and people having working participation with this commercial organisation have been involved in criminal conduct themselves (perverts of justice) and displayed the substantial defects of character - the Plaintiff requests the Court to declare those people as ‘ not fit and proper ‘ of holding any position in Queensland requiring trustworthiness and honesty and to issue the order prohibiting those people from applying or holding such positions in Queensland.
6. Due to cold and calculated criminal conduct and the unrepentant attitude by the Defendant (which affects the foundation and the legitimacy of legal arrangements in the State) the Plaintiff request the Court to consider issuing the recommendation that the people associated with Crime and Misconduct Commission to be sent to re-education facilities where they will be subjected to hard physical labour to instil in them the respect for other people in the community .

The plaintiff makes this claim in reliance on the facts alleged in the attached Statement of Claim.
